

Awards

The Biomag 2014 awards program supports and recognizes research excellence in the field of biomagnetism.

Prizes will be presented at the awards ceremonies at the Biomag 2014 Gala Dinner.

The members of the Awards committee can be found on our website "Biomag2014" under "Committees".

Young Investigator Awards

Three Young Investigator Awards (YIA) of \$500 each will be given to post-doctoral fellows. There are 3 categories: Theory & Modeling, Instrumentation and Applications. There is one price for each category.

The award amount for each YIA: \$500 CAD

Application criteria:

1. Participation is limited to post-doctoral fellows, within five (5) years of obtaining a PhD.
2. These awards are given to people presenting at BioMag2014
3. Each participant is limited to one entry, and should indicate the category of their entry.
4. Participants must be first author on their entry and present it during the conference.

Judging criteria:

Entries will be judged on the basis of the following criteria:

1. Originality of contribution (i.e., novelty of content/approach)
2. Presentation skills
3. Thoroughness and scientific merit of data analysis, design & methodology, discussion & interpretation of finding, significance and anticipated impact of findings.
